*University fees are charged in U.S. dollars, and college tuition fees are charged in Nepalese rupees.

Note:

- University and tuition fees are subject to change at the discretion of the institution.
- In the event of any increase in university or tuition fees, the revised fees will take effect from the following semester. Students will be notified in advance of any such changes.
- Ministry of Education, Science and Technology (MoEST) student registration charges and other applicable government taxes will be charged separately in accordance with government regulations.
- Dissertation fees; certified course fees; online resources and technology charges; and industrial visit costs are not included in the above fee structure.
- The graduation fee will be charged separately at the time of graduation.
